

THRIVING FAMILIES

GRANT APPLICATION

At HB, we exist to create opportunities for people, families, and communities to thrive. Our quarterly grant program is focused on thriving families. Every quarter we will award two non-profits \$10,000 to strengthen families and create opportunities for them to succeed. Each application is valid for one year from the date of submission. This period includes four award cycles. After one year, you must reapply in order to be considered for a grant award.

In addition to the \$10,000, we want to ensure there is a volunteer component to the award. This can be a walk, donation drive, or other event that will connect our staff with your organization and the work you do.

APPLICATION 1 PER ORGANIZATION—APPLICATION HOLDS FOR 12 MONTHS.
